CALLING ALL COLLEGIATE BROTHERS

Bro. M. Cristal
REGIONAL DIRECTOR

Brothers:

Collegiate Brothers are vital to the future success of our great fraternity. One of the issues we would like to address at the 52nd Southwestern

Regional Conference is Collegiate Brother participation. So, we REALLY need our Collegiate Brothers to participate.

We are in the process of planning the 52nd Southwestern Regional Conference, and we are hoping to set records for Collegiate Brother participation. We want to get as many Collegiate Brothers as possible to join us in Little Rock, Arkansas.

We are planning conference workshops to help you Collegiate Brothers with chapter operations; our traditional collegiate contests will be held; and we are dedicated to ensuring that Collegiate Brothers enjoy the conference --- party, step

show and brotherly fellowship with alumni members.

The registration cost for the conference for Collegiate Brothers is \$90.00. This cost is valid until February 28. The on-site registration cost is \$150.00 -- send your registration fee in as soon as possible and avoid paying higher fees.

If you have any questions about the conference, or if you have any concerns or suggestions please send an e-mail message to me at mcristal@aol.com.

We look forward to seeing you in Arkansas.
