72ND REGIONAL CONFERENCE

APRIL 4-7, 2024 | SHERATON HOTEL | OVERLAND PARK, KS

ARKANSAS · KANSAS · MISSOURI · NEBRASKA · OKLAHOMA · WEST TENNESSEE

On behalf of Alpha Delta Sigma Chapter of Greater Kansas City, we are honored and welcome all the Brothers from the states of Arkansas, Kansas, Missouri, Nebraska, Oklahoma, and West Tennessee to participate in the 72nd Southwestern Regional Conference. Kansas City is a vibrant city nicknamed “City of Fountains” that draws visitors to our world-class museums like the Nelson-Atkins Museum of Arts, 4-time Super Bowl Champion Kansas City Chiefs, the Negro Leagues Baseball Museum located at 18th and Vine, along with great BBQ. We have prepared a “Things to Do in

Kansas City” document located on the pbssouthwestern.org website that we want Brothers and Guests to take advantage of.

There will be so many fraternity years of experience in our presence at the regional conference including our very own Dean of the Southwestern Region, the Honorable Waymon Ponds, with 56 years of service in the fraternity. In addition, the legacy of Bro. John T. Thornton, a member of Alpha Delta Sigma Chapter who has a regional program award, Bigger and Better Business named in his honor, and the first member of the Southwestern Region to become a Life Member. This regional conference is the site where the information exchange of knowledge will take place, and brothers will get value added experience through workshops and networking.

The Men of Alpha Delta Sigma Chapter of Greater Kansas City, along with Alpha Omega Sigma-FLW (Ft. Leavenworth), and the Conference planner, have worked together to make this a successful regional conference for the Brotherhood. We will be ready to assist Brothers and Guests when you arrive, and if you have any questions, please do not hesitate to ask if needed.

Fraternally,

DeAngelo Strickland

Alpha Delta Sigma Chapter, President

Greetings Brothers, Family, Friends, and Guests,

Members of the General Board, Members of the National Distinguished Service Chapter, Members of the Regional Board, Members of the Regional Distinguished Service Chapter and Alain Leroy Locke Honors Chapter, but most of all, the brothers of the greatest region in the greatest fraternity, welcome to Overland Park, Kansas! Kansas is home to our **72nd Annual Southwestern Regional Conference**, and it will be an awesome weekend. I want to commend our local host chapters of Alpha Delta Sigma, Alpha Omega Sigma-FLW, Alpha Beta Nu, Epsilon Lambda, Lambda Alpha, Gamma Theta Gamma, and Zeta Omicron on their hard work and perseverance in helping plan and host a phenomenal conference. I am extremely thankful for Brothers Eric Wells, DeAngelo Strickland, and B.J. Cherilus, who have served as the local co-chairmen.

It is our intent to “**Empower Generations to Believe in Advocacy, Community Service, and Engagement**” while continuing to focus on issues plaguing our communities. Our workshop series is geared towards exchanging ideas, building better men, and fraternal professional development. We will continue in our efforts with “**Rewriting the Narrative**” by empowering our next generation of leaders. Alumni and collegiate members from across the region will come together to immerse themselves in professional learning while making an impact by serving on committees.

We have some great events planned for the attendees. The Visual Arts, Oratorical, Debate, and STEM competitions will be featured. We will feature Game Night & Casino Night on Thursday evening and crown the 2024 Miss PBS Southwestern Region & Stroll Off Champions on Friday evening. We will close out on Saturday night with the First-Class Awards Show highlighting some amazing philanthropists in the area. The region and the host chapter have selected leaders who are excelling in their respective fields which line up with the fraternity’s national programs. The brotherhood is looking forward to this grand event.

The framework for greatness was laid by the previous leaders of the Swaggering Southwestern Region. We are poised to continue our upward trajectory because of the work of the dedicated members of the regional board, chapter advisors, chapter leaders, and the many brothers who make a conscious effort to provide a **First-Class Experience** on a daily basis. After this conference, we will have clear marching orders on how to effectively be instruments of change in our homes, communities, and campuses.

Fraternally,

Brandon Hill

PHI BETA SIGMA FRATERNITY, INCORPORATED

April 4, 2024

Greetings to the Brothers of the Southwestern Region of Phi Beta Sigma Fraternity, Incorporated,

On behalf of the General Board, International Headquarters Staff and Sigma Brothers worldwide, I congratulate you as you gather for the 2024 Southwestern Regional Conference in Kansas City, Missouri.

As you convene, I encourage each Sigma Brother to engage with a purpose of yielding the total Brotherhood Experience as your mission. In this 110th year of Sigma's existence, reflecting on the sustainable change your chapters have provided in cities and communities throughout the region, is essential. The Southwestern Region is an inspiration, consistent with this administration's mandate to *Empower Generations of Men to BELIEVE in Advocacy, Community Service, and Engagement*. I congratulate Brother Brandon Hill, Regional Director, the regional board and all of the brothers who are a part of building the legacy and continuing to push the high ideals of the fraternity.

As you celebrate, be reminded of the sacred charge we were all given to "Herald and Defend, even against the world." I charge you to continue cultivating and advocating within your communities, helping to provide sustainable change and equitable opportunities.

Fraternally,

Honorable Chris V. Rey, JD
International President

Southwestern Region

To the Brothers of the Swaggering Southwestern Region, please allow me, as your Executive Director, to bring you greetings on behalf of the General Board of Phi Beta Sigma Fraternity, Inc. and the international headquarters team of our grand and noble organization!! It's a new year for all of us! Let's, in a first-class fashion march on, march on!!

As successful as the operational year of 2023 was for Phi Beta Sigma Fraternity internationally, regionally, and locally, I am excited about the potential that the year of 2024 has for our members. Sigma will have growth in membership, we will have growth in our tangible assets, we will have growth in corporate partnerships, and we will have growth in our programmatic thrust. All of this represents a movement on our part. Since we know that everything that does not move often dies, it is expected that our

Fraternity's growth will be heralded through our leadership because we have a Southwestern Region that will continue to lead and will never die!!

We are proud of the steps taken by the Southwestern Region to remain fundamentally strong in the face of adversity while having no fear of things that impact our Fraternity. I know that 2024, as an operational year, will be transitional for Phi Beta Sigma Fraternity in general, but I know that this region will change and grow through its own business strategies. The Southwestern Region will only get stronger because of the strength to be found through your leaders. You will face transitions in your membership totals, but it will only strengthen you because you will give us new Brothers willing to inherit the mantle of what is considered FIRST-CLASS! Finally, yes, you will face transitions in how you respond to the needs of your communities from the State of Tennessee to the State of Nebraska and for any NEW communities you plan to for in expansion. Still, you will only get stronger because you will answer the calls from each population segment you have chosen to serve and serve in a swaggering manner in the name of Phi Beta Sigma.

So, continue to fly onward and upward, Southwestern Region of Phi Beta Sigma Fraternity!! Please continue to provide a path of forward thinking and forward movement that results in a positive outcome for Sigma no matter where we choose to go! Swaggering is defined as "to walk or behave in a very confident and aggressive way," and I know that this region will continue to be significant for Phi Beta Sigma Fraternity through the work of the Brothers from our Southwestern Region!!

Dear Mr. Members of Phi Beta Sigma,

I am honored to join you in wishing the Phi Beta Sigma Fraternity, Inc. a successful 72nd annual conference. It is with great pleasure that I share my gratitude and good will for your organization.

Conferences provide opportunities to reflect on past experiences and present blessings, as well as looking ahead to the future. The Phi Beta Sigma Fraternity has of course had a remarkable history, and I have no doubt a similarly remarkable course can be charted ahead at this conference.

The alumni and members of Phi Beta Sigma are excellent examples of the strength and character of a Kansan, and I am proud to serve as your governor. I hope your Conference is productive, educational, and above all, enjoyable.

Warmly,

Governor Laura Kelly

Dear Brothers of Phi Beta Sigma Fraternity, Inc.,

On the occasion of the 72nd Leadership Conference of Phi Beta Sigma Fraternity, Inc.'s Southwestern Region, I send my warm greetings and sincere excitement to each of you. It is a time for celebration, reflection, and progress as you embrace the theme "Soaring into New Heights."

Phi Beta Sigma Fraternity, Inc. has always been a symbol of excellence, unity, and service. Your rich history and impactful initiatives have paved the way for this significant event. This conference not only honors your collective accomplishments but also marks a crucial step towards a bright future.

To the esteemed brothers of the Swaggering Southwestern Region, your unwavering commitment and vibrant spirit drive you towards new achievements. While participating in insightful workshops, engaging discussions, and meaningful interactions, stay focused on your objectives. Together, you will discover innovative ways to uplift communities, strengthen your brotherhood, elevate the bond with the Finer Women of Zeta Phi Beta Sorority, Inc., and leave a positive mark on society.

The journey ahead is full of promise and possibilities. Embrace this chance to learn from one another, reinforce your bonds, and recommit to the values of brotherhood, scholarship, and service.

I wish you all a productive and motivational conference. May your time together ignite your enthusiasm, enhance your leadership abilities, and solidify your determination to create a meaningful difference in the world. You are "Soaring into New Heights" and achieve greatness, together.

Greetings Brothers of Phi Beta Sigma Fraternity, Incorporated Southwestern Region,

It is with great pleasure and genuine excitement that I extend my warmest greetings to all of you as you convene for the 72nd Southwestern Regional Leadership Conference. As you gather under the inspiring theme of **First Class Experience**, I am reminded of the unwavering commitment to excellence that defines the essence of Phi Beta Sigma Fraternity.

This conference stands as a testament to your dedication to brotherhood, scholarship, and service, principles that have guided Phi Beta Sigma throughout its illustrious history. "First Class Experience" encapsulates the ethos of striving for nothing less than the highest standards of excellence, setting a precedent for all those who follow in your footsteps.

Moreover, as you embark on this journey of empowering generations, of men to believe in advocacy, community service, and engagement, I am inspired by the enduring bond between Phi Beta Sigma Fraternity and Zeta Phi Beta Sorority. The symbiotic relationship between our organizations is a testament to the transformative power of collaboration and unity. Together, we have forged bonds of brotherhood and sisterhood that transcend boundaries and enrich the lives of countless individuals.

As you embrace the bond between Phi Beta Sigma and Zeta Phi Beta, may we draw strength from the shared values of integrity, compassion, and resilience. In unity, there is strength, and in diversity, there is beauty. Together, we embody the essence of true leadership and service, inspiring others to reach new heights of excellence.

As you engage in meaningful discussions, exchange ideas, and celebrate achievements, may you be reminded of the profound impact of your collective efforts. Your dedication to uplifting communities and empowering future leaders serves as a beacon of hope in a world filled with challenges and uncertainties.

The sisterhood of the South Central Region across the states of Alabama, Arkansas, Mississippi, and Tennessee, extends our best wishes to Regional Director Brandon Hill, the host state, the host chapter, and the planning committee for an enjoyable and successful conference.

Wishing you all a truly enriching and memorable experience as you embark on this "First Class" adventure together.

CONFERENCE RULES

Rule 1

The Credentials Committee shall report the accurate number of members in attendance of the conference. The committee shall make a full report during the 3rd Plenary session.

Rule 2

Delegates will be seated in a designated area within the assembly hall and will be the only one's casting votes on behalf of chapters during the business sessions. A member registered as an alternate delegate can, upon clearance by the Delegate Certification committee, be transferred from an alternate delegate to a delegate at any time during the continuance of any business meeting.

Rule 3

For identification and admission to the assembly hall as well as social events, members have the option to wear a mask and display their badge issued upon registration to the conference. Valid state identification may be required at social events.

Rule 4

No member shall speak in debate more than once on the same question on the same day, or longer than two (2) minutes without permission of the conference granted by two-third (2/3rds) vote without debate.

Rule 5

All reports and other material for the permanent record or printed proceeding shall be typewritten and immediately after presentation be forwarded to the Regional Secretary.

Rule 6

The rules contained in the current edition of **Robert's Rules of Order, Newly Revised (12th edition)** shall govern the Conference in all cases to which they are applicable and in which they are not inconsistent with the Constitution and By-Laws of the International Fraternity and/or Southwestern Region of Phi Beta Sigma Fraternity, Inc.

Rule 7

Members will attend plenary sessions and workshops and not loiter with vendors while in session; members who do not attend the business session are subject to be fined.

Rule 8

Members will not wear hats or caps (religious purposes excluded) in plenary sessions and workshops; members with personal electronic devices (i.e., cell phones, laptops, iPads, etc.) shall place the device, on and remain, in an unobtrusive mode (silent or vibrate) during all business sessions of the conference; members will not use phones in any sessions.

Rule 9

We will be Brothers and we will be united at the beginning, throughout, and the end of the conference, we will disagree on substance and not on feelings, we will be objective, fair, and will honor our Founders and our oath to the organization.

Rule 10

The chair shall recognize brothers who wish to speak. Brothers wishing to speak shall approach the microphone and state their name and chapter affiliation once they are recognized, before proceeding with their commentary.

Rule 11

All remarks should be addressed through the chair, not individual brothers present in the room.

Rule 12

At the opening session, the chair shall appoint a timekeeper whose duty shall be to indicate to each speaker the expiration of the time allowed. The chair, in consultation with the timekeeper, shall inform the brothers assembled, that time has been expired.

The MAB Awards are designed to encourage each graduate chapter to recognize Brothers in their chapter that have recruited new members into Phi Beta Sigma Fraternity, Incorporated. On the regional level, we will recognize the Brother in each state that has contributed the most in his state with new member recruitment on a yearly basis. The recognition will be a one of kind item to highlight the significance of the MAB Awards.
